*Nude's pure geometrical lines are ideal for highlighting architectural features. Nude is stripped down to the essence of a luminaire. Its light source is recessed in the slender cylinder so much that it is practically invisible. The wall-mounted version is available as downlight, or with both up and downlight.*

## Dress up Nude with colours

With an extended range of brushed aluminium colours, Nude will be a lovely colourful-yet-minimalist companion to any of our families with matching colours, like Shellby, Thimble, Minude or Placebo. Enjoy our extra choices of anodised black, bronze, silver bronze and champagne.
